COUNT I – VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

7. On or about July 26, 1990, Congress enacted the Americans With Disabilities Act (“ADA”), 42 U.S.C. §12101 et. seq. Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of the Title III of the ADA was January 26, 1992. 42 U.S.C. §12181; 20 C.F.R. §36.508(a).

8. Congress found, among other things, that:

(i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;

(ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;

(iii) discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;

(iv) individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices. Exclusionary qualification standards and criteria, segregation, and regulation to lesser services, programs, benefits, or other opportunities; and,

(v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those

opportunities for which our country is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. §12101(a)(1)-(3), (5) and (9).

9. Congress explicitly stated that the purpose of the ADA was to:

(i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;

(ii) provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,

(iii) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

10. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the Subject Facility is a place of public accommodation in that it is an establishment which provides goods and services to the public.

11. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Subject Facility which is the subject of this action is a public accommodation covered by the ADA and which must be in compliance therewith.

12. The Plaintiff is informed and believes, and therefore alleges, that the Subject Facility has begun operations, and/or undergone substantial remodeling, repairs and/or alterations, since January 26, 1990, and/or has sufficient income to make readily achievable accessibility modifications.

13. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others who are similarly situated, by denying full and equal access to, and

full and equal enjoyment of, goods, services, facilities, privileges, advantages and/or accommodations at Defendants' Property, in derogation of 42 U.S.C. §12101 et. seq., and as prohibited by 42 U.S.C. §12182 et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(a)(iv), where such removal is readily achievable.

14. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Property. Prior to the filing of this lawsuit, Plaintiff personally visited Defendants' Property, with the intention of using Defendants' facilities, but was denied access to the Subject Property, and therefore suffered an injury in fact. In addition, Plaintiff continues to desire to visit the Subject Property in the future, but continues to be injured in that he is unable to and continues to be discriminated against due to the architectural barriers which remain at Subject Property, all in violation of the ADA, and the New York State Human Rights Law.

15. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the Americans with Disabilities Act Accessibility Guidelines (hereinafter "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$110,000 for the first violation and \$150,000 for any subsequent violation.

16. The Defendants' Subject Facility is in violation of 42 U.S.C. §12181 et. seq., the ADA and 28 C.F.R. §36.302 et. seq., and is discriminating against the Plaintiff as a result of inter alia, the following specific violations:

- (i) Failure to provide a safe, accessible entrance, due to a step at entrance, without a compliant ramp and/or wheelchair lift, in violation of 28 C.F.R. Part 36, Section 4.14.
- (ii) Failure to provide a safe and accessible means of egress from the Subject Facility, in violation of 28 C.F.R. Part 36, Section 4.3.10.
- (iii) Various shelves, containing merchandise for sale, are located at inaccessible heights, in violation of 28 C.F.R. Part 36, Section 4.25.
- (iv) Various hanging merchandise for sale, are at inaccessible heights, in violation of 28 C.F.R. Part 36, Section 4.2.
- (v) Self-service “Muji
- (vi) Yourself Stamp It” display, at Subject Facility, is at an inaccessible height, in violation of 28 C.F.R. Part 36.
- (vii) Pathway in front of rear sales counter/cash register is obstructed by unsafe improperly secured black electrical wire across said pathway from said sales counter area, in violation of 28 C.F.R. Part 36, Section 4.3.
- (viii) Failure to provide ADA compliant designation signage at accessible fitting room, as required by 28 C.F.R Part 36, Section 4.30.
- (ix) Failure to provide coat hooks in the fitting room at an accessible height, in compliance with the requirements of 28 C.F.R. Part 36, Section 4.1.3(12), and Section 4.25.3.
- (x) Failure to provide a securely attached mat at interior of entrance, in violation of 28 C.F.R. Part 36, Section 4.5.3.

(xi) Failure to provide adequate directional and accurate informational signage throughout the Subject Facility, as required by 28 C.F.R. Part 36, Section 4.1.3(16).

(xii) Failure to provide signage in the Subject Facility addressing people with disabilities telling them that accessible services are provided, as required by 28 C.F.R. Part 36, Section 4.30.4.

17. Upon information and belief, there are other current violations of the ADA at Defendants' Property, and only once a full inspection is done can all said violations be identified.

18. To date the architectural barriers, the removal of which is readily achievable, and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

19. Pursuant to the ADA, 42 U.S.C. §12101~~et seq.~~, and 28 C.F.R. §36.304, the Defendants were required to make the Subject Facility, a place of public accommodation, accessible to persons with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

20. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff's injunctive relief; including an order to alter the subject facility to make them independently accessible to, and useable by, individuals with disabilities to the extent required by the ADA, and closing the subject facilities until the requisite modifications are completed.
